LABEL SAFE™ GREASE FITTING PROTECTORS™ save you the cost of equipment failures due to grease contamination or misapplication.

Get the right grease in the right location by color-coding and keep grease fittings clean and protected at the same time. Simple identification and protection in one!

1. 10 different colors to clearly identify and color-code grease fittings .
2. New recessed head design and clear lens cover for enhanced identification .
3. Adhesive Grease Fitting Protector Labels available in 0.5" Circle Size in sheet quantity .
4. Firm seal around grease fitting keeps contaminants out and bearings in service longer .
5. New hook design means easy grip and removal of cover versus traditional plastic caps.
6. Made of durable anti-static industrial grade materials with UV stabilizers .
7. Available with 1/4" (6.4 mm), 13/32" (10.4 mm) and 17/32" (13,5 mm) diameter holes .
8. Available in various kits with different size, quantities and colors for easy management.
